

LEAGUE RULES – 2020-21

FRIDAY MIXED LEAGUE

1. GENERAL:

Unless otherwise noted, Curling Canada's "[Rules of Curling for General Play 2018-22](#)" will apply. Participants should familiarize themselves with the Shamrock's [Return to Play Guidelines for 2020-21](#), which includes rule changes such as the "Single-Sweeper Rule" and new standing locations for on-ice distancing (pp. 11-14).

2. WAIVERS AND DECLARATION OF COMPLIANCE: All Shamrock curlers must complete and submit a "Waiver and Declaration of Compliance" in order to curl at the Shamrock this season. Online forms can be found [here](#). Hard-copy forms can be found next to the main office door. The Declaration of Compliance requires curlers to adhere to the rules and protocols that the Shamrock has established this season in order to ensure a safe and positive experience for everyone in the Shamrock community. The Declaration includes the provision that the Shamrock reserves the right to remove any individuals that knowingly or repeatedly violate its standards and expectations. If you have any questions or concerns please contact Chris (chris@shamrockcurling.ca).

3. TEAM ROSTERS

All team captains are expected to provide the Shamrock with complete roster information including full names and e-mail addresses of all roster players prior to the start of the season. Teams are allowed to have up to 6 official roster players on their team and this official roster must consist of at least two males and two females. Players cannot be a roster member of two different teams within the League but players can play as a Substitute on another team within the League. Teams should always make *every reasonable effort* to ice a purely mixed line-up composed of two males and two females who throw in alternating positions. If, after every reasonable effort has been exhausted, a team is unable to ice two males and two females in their line-up, a team may play with a 3/1 gender combination provided that a male and a female play in the skip and third positions. Games may be played with only three players provided that the playing team has a minimum of one male and one female and provided that a male and a female throw in the final two positions. See also the substitution rule, Rule #4. Given COVID Health considerations this season, flexibility on this rule is possible provided the opposing teams come to a reasonable agreement that ensures the health and satisfaction of everyone involved.

4. SUBSTITUTES

A substitute is any player who is not on the team's official roster. If a substitute is required, team captains must notify the Shamrock (info@shamrockcurling.ca) of the substitution for the given night of play. Like roster players, substitutes must complete a Waiver and Declaration of Compliance in order to curl at the Shamrock this season. Substitutes can be found on the "Spares List" that is circulated by the Shamrock or can be brought in from outside the club. Any team using a substitute illegally will automatically forfeit the game in dispute. Rules for substitutions are as follows:

a) Regular League Games:

Teams may use up to three (3) substitution players, provided the following conditions are met:

- i. At least one member from the team's official roster must be curling in the game.
- ii. Substitutes may play any position except skip (see CCA Rules article 6: Skips)
- iii. Substitutes shall not throw last stones in the delivery rotation.

b) Club Playoffs:

Teams may use up to two (2) substitution players, provided the following conditions are met:

- i. At least two members from the team's official roster must be curling in the game.
- ii. Substitutes cannot be on a team that is still competing in this league's playoffs.
- iii. Substitutes must follow the specified delivery rotation:

- One Substitute: Must play Lead position
- Two Substitutes: Must play Lead, and Second position

c) Final Team Rosters:

Official team rosters must be sent to the Shamrock (info@shamrockcurling.ca) prior to the start of the season. Any official roster changes must be submitted prior to January 15th, 2021 to be applicable for the playoffs. Roster change submission requests after January 15th due to COVID Health considerations will be dealt with on a case by case scenario.

5. START OF THE GAME:

Games in this league will have the following staggered start times this season:

- 7:45pm
- 8:00pm

Teams playing on sheets #1-4 should enter and exit via the sheet #1 door. Teams playing on sheets #5-8 should enter and exit via the sheet #8 door.

6. END OF GAME / TIES:

All games are a maximum of six ends.

- **“Buzzer rule for end of game”**: If / when you hear the buzzer, this means that you may finish the end that you are presently in and play one more end. An end is considered complete when the score from the previous end has been declared, therefore, a new end begins once that score is declared. Given the staggered start times for this season, this League will have two buzzer times as follows:
 - **9:35pm buzzer** - for the 7:45pm start-time games (long buzzer of 6 seconds)
 - **9:50pm buzzer** – for the 8:00pm start-time games (shorter buzzer of 3 seconds)

Ties after regulation ends have been played will be settled by a “swept draw”

- **“Swept-draw”**: Each team will throw one swept rock and the rock that is closer to the button wins. The team that would have had hammer had another end been played decides which team will throw the swept-draw first. Rocks must be in the house to count. Opposing team rocks cannot be swept, otherwise it will be an auto-forfeit.

7. POSTING RESULTS:

Draw and result sheets are posted on Leagues Board and in the Leagues Binder. It is the responsibility of the winning Vice-Skip (the “third”) to post the results of their game on the draw sheet after the game (in the Leagues Binder). Sanitized pens will be provided. The results of a game can also be e-mailed to Jolene at the Shamrock (jolene@shamrockcurling.ca). Jolene is responsible for updating the Standings for this league. If using the binder then the winning team should be circled. If there is a “swept-draw” tie-breaker then both teams should be circled and a star should be placed next to the winning team. Points toward the League Standings shall be as follows:

WIN (in regulation play) = 3 POINTS
 WIN (in swept-draw) = 2 POINTS
 LOSS (in swept-draw) = 1 POINT
 LOSS (in regulation play) = 0 POINTS

8. FORFEITS:

Any team unable to attend a scheduled game is expected to inform the Shamrock (info@shamrockcurling.ca) of the forfeiture at least one hour before the start of the scheduled game. If a team fails to notify the Shamrock in advance then the violating team will lose 2 points in the standings. There will be no “make-up” games

allowed for forfeited games. The opposing team of a forfeited game may use the scheduled sheet of ice for practice until 9:35pm (if scheduled for a 7:45pm start) or 9:50pm (if scheduled for a 8:00pm start).

9. TIE BREAKER RULES FOR STANDINGS:

“Tie-breaker” rules for end-of-game play can be found above at Rule #6.

In the event of a tie between teams in the standings, the following criteria shall be used to determine standings order:

- 1) Head-to-head results between all tied teams (in terms of total points)
- 2) A “swept draw.”

10. LEAGUE FORMAT

Regular Season league play will consist of Round Robin play in which each team will play one another at least once (in some cases teams will play one another twice). At the end of the Regular Season teams will be grouped into pools for the League Playoffs.

11. LEAGUE PLAYOFFS

a) Format: All teams qualify for the playoffs. On the basis of Regular Season play teams will be grouped into 3 pools (A, B, and C). The top six seeded teams will play in Pool A, the next 4 seeds will play in Pool B, and the final 4 teams will play in Pool C. The Playoffs will consist of Round Robin play between teams within their pool. The team with the most points within their respective pool wins that pool. The winner of Pool A will be the League Champion. Tie-Breaker rules for games will follow Rule #6 and Tie-Breaker rules for pool standings will follow Rule #9.

b) Playoff Hammer: The team with the better seeding position should receive first hammer throughout the playoff schedule (e.g., the team with seeding position #2 should receive first hammer in a game against the team with seeding position #4). It is the responsibility of the team with the better seeding position to institute this playoff hammer rule.

12. CLUB PLAYDOWNS

The League champion will either represent the Shamrock at the Tournament of Champions in mid-April or else the League champion will playdown against a Mixed team from another league for the opportunity to represent the Shamrock. Further details will be provided.

13. QUESTIONS: Any league questions or concerns should be directed toward the **League Organizer**. If the Organizer is unavailable then the League Ambassadors will function as a proxy and will relay concerns.

LEAGUE ORGANIZER: Chris McTavish – chris@shamrockcurling.ca / 780 953-6757

LEAGUE AMABASSADORS: Candace Young and Dave Elanik
